MINUTES OF THE GEOGRAPHIC RESEARCH AREA STAFF MEETING, 5 May 1958

25X1A9a

PRESENT:

1. Exchange of Professional Personnel

25X1A5a1 The advantages and disadvantages of an exchange of Agency personnel for [REDACTED] for tours of 1 or 2 years were discussed. The general feeling was that the GRA would have to incur production handicaps; the main benefit would rest in the opportunity provided for a sabbatical for selected personnel. D/GG indicated the most interest; [REDACTED] will 25X1A9a consider the matter further.

2. Budget

Chiefs, D/GC, D/GL and D/GG were given memos from Chief/G requesting budget submittals from the divisions by COB, 12 May. Various phases of the budget were discussed, among which were external research and travel estimates.

3. SAC Maps

25X1A9a

Chief, D/GL, reported on the status of his efforts to procure certain SAC maps. [REDACTED] (Air Force) has promised to check on this matter when he visits SAC, Omaha, the latter part of this week and 25X1A9a report back to [REDACTED] upon his return.

5. D/GG Briefing

25X1A9a It was suggested that the next D/GG briefing be presented by [REDACTED] on his recent area familiarization trip to Africa.

6. Spanish Returnee Exploitation

25X1A9a Chief/G asked for recommendations as to the desirability of the participation of a GRA person in the Spanish Returnee Exploitation program. It was suggested that this may depend on the competencies of the individual assigned from ORR/ERA. [REDACTED] indicated he would like to give the matter a little more consideration and discuss it with Chief/G.
